

**The Glasgow City Council
(Clyde Place, Tradeston)
(Traffic Management) Order 201_**

Report

The Council proposes to stop up West Street / Clyde Place between Riverview Gardens and Commerce Street, Tradeston Street and Centre Street between Kingston Street and Clyde Place to facilitate the future development of the Tradeston area, generally bounded by Clyde Place, Commerce Street, Kingston Street and West Street. The stopping up will be undertaken under the planning process however motor vehicle access will be prohibited under this Order.

As part of the redevelopment, a number of traffic management changes will require to be undertaken in order to prevent traffic flow issues within the Tradeston area.

It is proposed to make Kingston Street one way eastbound with a with-flow 24 hour bus lane between Tradeston Street and Commerce Street, including a dedicated cut through to Commerce Street. All existing westbound traffic including bus services would be re-directed along Nelson Street. There will also be a 24 hour with-flow bus lane on Commerce Street, between Nelson Street and Clyde Place.

West Street between Kingston Street and Riverview Gardens would be converted to a two-way operation to allow access / egress to and from the Riverview residential development.

Other measures to complement the proposed traffic management system would include:-

- Junction improvements/ realignment on Kingston Street at West Street, Commerce Street and Bridge Street
- Junction Improvements/ realignment at Nelson Street/ Bridge Street/ Eglinton Street junction
- New controlled pedestrian crossing on Kingston Street west of Centre Street
- New controlled pedestrian crossing on Nelson Street east of Centre Street
- Amendments to Waiting/ Loading restrictions on Kingston Street, Nelson Street, Bridge Street and Commerce Street
- New parking provision on Centre Street between Kingston Street and Nelson Street
- Extension of existing two-way segregated cycle way on the east side of West Street northwards to Riverview Gardens.
