Dear Sir/Madam,

**THE GLASGOW CITY COUNCIL, (IBROX STADIUM)
(EVENT DAY EMERGENCY ROUTES AND PARKING ZONE) ORDER 201_**

Thank you for the opportunity to comment on the proposals for event day parking around Ibrox Stadium.

We are pleased to see that supporter parking is to be controlled and that people visiting the stadium will be encouraged to travel by coach/bus/public transport.

Our streets are thoroughfares, allowing people to travel from place to place and should not be used to store motor vehicles.

Paisley Road West is one of the most heavily-cycled routes in the city, and while parking restrictions here and on Edmiston Drive, and on the other streets in the area, will improve conditions for people walking as well as cycling, we now look forward to you being able to provide good quality cycle infrastructure for residents, commuters and visitors in this area.

Yours sincerely

Tricia Fort
