University of Glasgow

Welcome to our November update

Site Progress

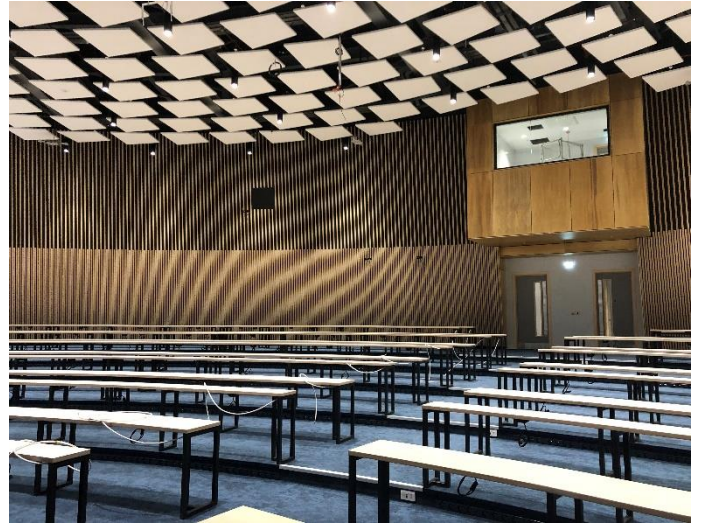

- Works are progressing internally at the James McCune Smith Learning Hub with services, painting and decoration, flooring and furniture..
- Structural steel frame erection is continuing at the Clarice Pears Institute of Health & Wellbeing.
- The structural demolition of the Gardiner Institute is in progress at Church Street and will complete in January 2021.
- Landscaping works to University Avenue outside the Boyd Orr Building are ongoing with new kerbing installation, in conjunction with works outside the James McCune Smith Learning Hub.

Built for **positive impact**

James McCune Smith Learning Hub nears completion...

Solar Panel installation on the James McCune Smith Learning Hub roof

Furnished lecture theatres, teaching spaces and break-out areas

There will be increased bike storage facilities next to the Boyd Orr Building and Hetherington House.

Look Ahead

- Soft strip to the Pontecorvo Building at the corner of Church St and Dumbarton Rd is underway. Scaffolding is being erected ahead of structural demolition commencing in January 2021.
- The Pontecorvo Building will be fully wrapped to minimise noise and dust during the demolition process.
- Work to University Place will continue with drainage, hard landscaping and tree pits, alongside the landscaping works to University Avenue.
